

At Contractors of Colorado, we're more than just a support network — we're a central hub for contractor education, marketing, and professional growth. Built specifically for Colorado contractors, our mission is to help you grow your business, strengthen industry connections, and stay ahead in a fast-changing market.

C License Exam Prep – August 2025

Become a Licensed Residential General Contractor – Pass Your Exam with Confidence!

Our intensive General Contractors Exam Prep Course is designed to prepare you for the **National Standard Building Contractor "C" ICC G13** Exam through Pearson VUE, providing you with the tools, knowledge, and personalized support you need to succeed.

What's Included in the Course

Hands-On Learning: 16-hours of interactive, in-person classes over **(4)** Saturdays, plus Instructor Office Hours tailored to help you excel.

Correct Code Edition: Participants will receive the 2018 International Residential Code (IRC) book, along with a tab kit for marking key exam topics. **Note:** The exam is based on the 2018 edition, not the latest version.

Comprehensive Online Knowledge Portal: Access on-demand resources including a Course Introduction and Learning Modules

Practice Exams: Weekly practice exams and quizzes allow you to track your progress and boost your readiness.

Networking & Mentorship: Connect with growth-minded contractors and gain insights from an instructor with decades of real-world experience.

Who It's For & Why It Matters

This intensive, **no-fluff course** is built for serious professionals preparing for the **Class C residential contractor license exam**. It's ideal for individuals who value expert, in-person instruction in a focused, professional setting. Led by a seasoned instructor with hands-on ICC code and testing experience, this course delivers targeted exam prep and the confidence to succeed.

At Contractors of Colorado, we're more than just a support network — we're a central hub for contractor education, marketing, and professional growth. What Our Students Are Saying

"I can't say thank you enough for your amazing teaching and support. I could never have done this without your investment. The class materials, quizzes, and practice exams were key! And yes, one needs to put in the work."

— Tom, Spring 2025 Student

"Thanks to Andrew and his exam prep course, I passed my B License test today!"

— Ron, Spring 2025 Student

"Thanks to you guys, the test was stress-free and very easy to navigate!"

— Ivan, Spring 2025 Student

"Thank you, Andrew! You guys really kicked me in the butt to get it done!"

— Page, Spring 2025 Student
